

A yellow forklift is shown in a warehouse or industrial setting, carrying a large stack of pipes. The pipes are dark in color and have blue caps on their ends. The forklift is positioned in the lower left of the frame, and the pipes extend diagonally across the upper right. The background is a bright, clear sky. The overall image has a halftone or dot-matrix texture.

# WE BRING ANSWERS

We provide people in the energy industry with the strategies and products they need.

SORIAN

[sorian.com](http://sorian.com)

SOONER PIPE

CTAP

TERRATECH

# *Sooner is now called Sorian*

While we may have a new name, it's the only thing that's changed, because the company that brought together Sooner Pipe, CTAP, and TerraTech, will continue to provide our client partners with the same unmatched strategic guidance and solutions only we can bring.

- Strategies that change the OTCG & PVF games
- Technology that empowers
- Onshore and offshore solutions
- Advantages to help boost operations
- Services you need to thrive
- And more.

**S O R I A N**  
We bring **answers**

***We bring  
the services***  
you need to thrive.
