

**We bring
360° clarity**

with Sorian360,
our proprietary
digital platform.

We bring a centralized supply chain management platform

Sorian360 was created for smarter tracking, forecasting, inventory management, and data-driven insights and planning.

Forecasting

Sorian360 generates forecasts by location and item, and report analytics.

Call Outs

Sorian360 expedites call order requests for materials at the well sites, ensuring a rapid response from our team.

Maintenance

Sorian360 increases equipment effectiveness through on-demand preventive and corrective maintenance scheduling.

Inventory Management

We bring a barcode-based system with real-time reporting.

Inspections

We offer customizable quality inspections with configurable checkpoints, custom forms, assignable orders, serial number tracking, picture and geo-location capture, and reporting.

Shipment Tracking

Driver View via FLEET enables drivers to track shipments, stay connected with dispatch, upload documents, and share real-time status updates with automated geofencing.

And more

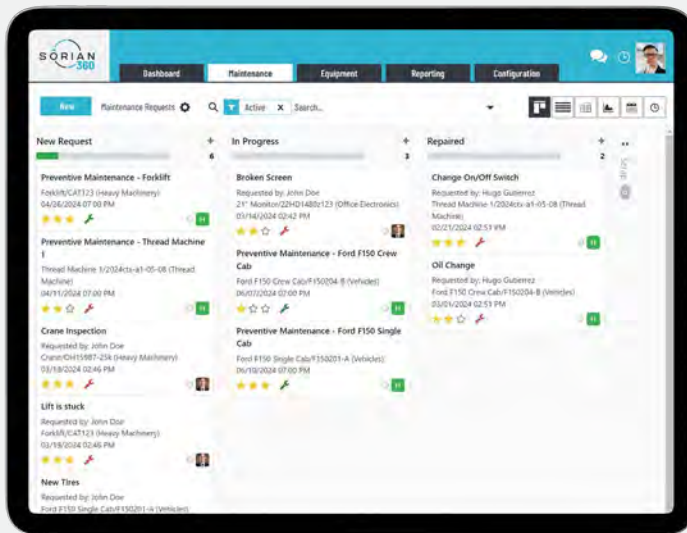

***Innovation built
not just for
innovation's sake
but to support your real-world needs.***

Proprietary laser tally pipe scanner

A one-click device that scans barcodes, measures pipe length, records receipts providing real-time updates while eliminating data entry errors.

Barcode stickers, pipe marking, and seals

We carefully tag all surfaces and products for secure and efficient identification.

GPS-based and RFID tracking

We use GPS-based and RFID technology to ensure end-to-end traceability.

Custom module creation

We have the ability to create new Sorian360 app modules and processes quickly, adapting to your unique needs.

The logo features the text 'SORIAN' in a bold, white, sans-serif font. The letter 'O' is replaced by a white circle with a small upward-pointing arrow on its left side. Below the 'SORIAN' text, the number '360' is written in a larger, bold, white, sans-serif font. Two white curved lines, resembling partial circles or arrows, frame the text: one above the 'SORIAN' and one below it, both pointing towards the center.
